About Rajesh

"Learning never exhausts the mind" - Leonardo Da Vinci.

The Corporate evolution journey for Rajesh started 32 years before today. Each day, week, month added loads of experience, exposure and wisdom during these years and continues to do so.

Rajesh started his Corporate journey from Advertising, where he worked with Global brands, helped create successful campaigns and a mark for himself. From advertising, came his foray into Marketing where he was heading brands, Organisations and most importantly, people! Interacting with people and helping them excel has been the guiding light all along. With an array of
